

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

November 2017

Dear Parent/Carer

I am writing to inform you about the GCSE revision guide and exam practice workbook that is supplied through the faculty of Computing & Business.

The revision guide is 'GCSE Edexcel Business For the Grade 9-1 Course' – The Revision Guide' ISBN 978 1 78294 690 8. The exam practice workbook is 'GCSE Edexcel Business For the Grade 9-1 Course' – Exam Practice Workbook' ISBN 978 1 78294 693 9. These resources cover the Edexcel exam board specification, which we follow at Heanor Gate Science College, and offer a range of benefits.

I strongly recommend your son or daughter has a copy of these to use as soon as possible, as it enables them to revise in a practical manner, for example, reading a section and answering exam questions. Students will also find them useful when they are preparing for and completing school based assessments.

The revision guides and the workbooks usually retail at £5.95 each, however the school is offering them at the discounted price of £5.95 for both.

If you wish to purchase these resources please pay via ParentPay. Your son/daughter can then collect the revision guide and workbook from the school reception.

I look forward to meeting you at the Year 10 Parents' Evening in February, prior to this please feel free to contact me if you wish to discuss anything, my email is nswift@heanorgate.derbyshire.sch.uk.

Yours sincerely

Mrs Swift
Teacher of Computing & Business
