

July 2018

Dear Parent/Carer

Whilst on the Club Correze trip, students are given the opportunity to participate in a high ropes course at Chateau de Val. This is similar to Go Ape, however, the course at Chateau du Val is more challenging and higher than a standard UK Go Ape course.

The centre's staff will brief the group beforehand to ensure that all students are made fully aware of the health and safety issues associated with this type of activity. Following this, the students will be solely responsible for clipping themselves on and off the ropes whilst elevated on the high rope course.

Please ensure that your child is aware of their responsibility during this activity and that we reserve the right to remove any students from the course if we deem their actions unsafe.

Please complete, sign and return the slip below confirming that you are happy for your child to participate in this activity and that you are aware that the insurance on this activity is covered by the high ropes company itself, as opposed to our travel company's standard insurance.

Yours sincerely

K Hill
Trip Leader

Please return to reception – Club Correze high ropes activity – Chateau de Val

Name of student Tutor Group

I am happy for my child to participate in the above activity and I am aware this activity is covered by the high ropes company, not the school's travel company standard insurance.
