

April 2018

Dear Parent/Carer

I am writing to inform you that your child has been entered for the external examination component of the Cambridge National in Creative iMedia this summer. The examination will take place on the morning of Wednesday 6 June 2018. There will be a preparation session for students at 8.50am with me, before the exam, as well as periods 4 and 5 the previous day.

Please ensure your child is fully equipped for the exam. The following equipment is required:-

- Black pen (x2)
- Pencil
- Rubber
- Sharpener
- Ruler
- Set of coloured pencils

Please ensure this equipment is in a transparent pencil case or sandwich bag, as normal pencil cases are not permitted in the examination room. Any water bottles must be transparent and have their labels removed prior to the examination. Students will not be allowed mobile phones or smart watches in the examination room; this includes switched off in their bags. Your child will sit a mock examination in the same conditions as an external exam in the next few weeks to prepare them for this.

Students will be given access to revision resources for this examination as well as past papers and mark schemes to work through. It will help your child significantly if they perform well in this examination and are not required to re-sit it in Year 11.

Thank you for your support with this matter. If you have any questions please feel free to contact me at m.butler@heanorgate.derbyshire.sch.uk

Yours sincerely

M Butler
Teacher of Computer Science/ICT/iMedia
