

Dear Parent/Carer

Your child is studying A Level Geography and in lessons we use two text books which have been specifically written for the Edexcel course they are following. Some students have expressed an interest in having their own personal copy of the textbooks. These books are available to order from Amazon but can be purchased for a reduced price through school.

- Geography for Edexcel A Level Year 1 and AS Student Book - £25.50
- Geography for Edexcel A Level Year 2 Student Book - £26.50

There is also a published revision guide which students have expressed an interest in, this book is available to order through school for £13. However it is currently cheaper on Amazon on sale at £11.99:

- My Revision Notes: Edexcel AS/A-level Geography

If you would like to order a copy of any of these books through school please order on Parentpay or return the slip below with payment.

Yours sincerely
