

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

19 December 2017

Dear Parent/Carer

As part of our on-going commitment to realising the potential of every student I would like to inform you that as of week commencing 8 January 2018 the Year 10 French teaching groups will be realigned in order to maximise potential.

This will affect the following groups: 10QFR1, 10QFR2, 10RFR1 and 10RFR2.

Following the first term of teaching in mixed ability groups, students in the Q and R bands will now be set in terms of ability, based on prior attainment, current working effort and level and GCSE target grades.

This will allow us to teach lessons tailored more specifically to the needs of the students which will, in turn, accelerate the progress of all students.

Thank you in anticipation for your support.

Yours sincerely

Miss Hill
