

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

16 November 2017

Dear parents and carers,

Parking on Kirkley Drive at the end of the school day

I am writing to ask for your support in alleviating the parking problems that are occurring outside the front of the school on Kirkley Drive at the end of each day.

If you have to collect your child up from Kirkley Drive please observe road safety as the road quickly becomes grid locked and we are concerned about the safety of our students. Students who wish to cross Kirkley Drive have to walk out into the road between parked cars, limiting visibility.

We appreciate that there is limited space for waiting for your sons and daughters but we would ask that, if possible, you car share with other families or arrange to meet your child on an adjacent street or the industrial estate.

Students are welcome to stay in school after the end of the school day so to help reduce congestion parents/carers do not need to be here at exactly 2.55pm (or 2.35pm on Wednesdays).

We are aware the pedestrian crossing on the main road is not in an ideal position and that traffic does not always abide by the speed limits through Heanor, therefore we are working with the local road safety team to try to make this a safer location.

Thank you for your continued support in this matter.

Yours faithfully

Mr S Huntington
