

# HEANOR GATE SCIENCE COLLEGE

"Develop all learners to achieve their full potential"  
"Create a culture of aspiration"

Principal: **Mr S Huntington**

10 April 2018

Dear Parent/Carer

As the exam season draws closer, we have managed to book an AQA GCSE Geography student revision webinar. It involves students attending a virtual revision conference by Hodder Education and is free to all GCSE Geography students at Heanor Gate Science College. **The webinar will take place in the Post 16 common room from 3.30-5.00pm on Thursday 26 April 2018**, and it is essential that students attend.

The aims of the webinar are to build students' confidence and raise their chances of achieving the highest possible grades. They will be focusing on the key exam skills for Papers 1, 2 and 3, providing clarity on the command words and teaching students how to answer the questions successfully.

Students will learn how to do the following:

- Understand how to interpret stimulus resources and answer shorter questions
- Learn how to respond to longer questions with 6 and 9 mark tariffs, and more challenging command words
- Discuss using the pre-release booklet for Paper 3 before and during the exam
- Look at how to answer questions on familiar and unfamiliar fieldwork in Paper 3

I hope that you can see the benefit of this free resource to our students and that you will encourage your child to attend.

Please feel free to contact me on [cmeakin@heanorgate.derbyshire.sch.uk](mailto:cmeakin@heanorgate.derbyshire.sch.uk) if you have any queries.

Yours sincerely

Mrs C Meakin  
Head of Geography
