There are no PEF classes for the mock exams.

Timetabled lessons are suspended and there will be revision sessions in normal classrooms when students are not in exams.

T Block and C Block will be used for separate room/extra time students and students with laptops.

For large exams students will always meet in tutor rooms (D Block) prior to being sent to the exam room (**highlighted green**). These will be in class groups. Students will be given a timetable of where these rooms are. These are staffed by either tutors, or staff that would have had year 11 at that time. For small exams they will line up under the New Gym immediately prior to the exam (**highlighted yellow**).
