May 2018

Dear Parent/Carer

The Year 12 public services group are currently planning an expedition to Snowdon in the next few months. To maintain their hill walking fitness, and their navigation skills prior to this expedition, there is another walk scheduled for Friday 18 May 2018. This walk is not an assessment and no planning is required by the students, but it is essential that they attend. The walk will be on the moors around Curbar (near Baslow). We will be leaving school via minibus at 0830 and will return at approximately 1700.

Students should bring appropriate footwear and warm clothing as per the previous walks. Waterproof jackets /trousers, walking boots and rucksacks can be provided by the public services stores if required. They will also need to bring a packed lunch and snacks – a hot drink in a flask would also be beneficial. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.**

If the weather is severe for that region on the day, the walk will be postponed for safety reasons.

If you are happy for your child to participate in this walk, please complete, sign and return the slip below to reception as soon as possible.

Yours sincerely

Mr M Jackson
Public Services Assistant
