

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

October 2017

Dear Parent/Carer

Educational evening: How to secure a strong pass in English and mathematics

Tuesday 7 November 2017 - 6.00 p.m. to 7.30 p.m.

As part of our commitment to ensure that all students fulfil their potential by securing strong passes in both English and mathematics; we are holding an educational evening for you as a parent/carer of a Year 11 student.

The evening will focus on:

- 1) A brief introduction to the grading system and achievement
- 2) English workshop
- 3) Mathematics workshop

Each workshop is specifically designed to provide you with an informed insight as to how you can personally support your child in developing their English/mathematics skills outside of their scheduled lessons. The sessions will focus on essential exam preparation, maximising the most out of scheduled homework time, as well as providing your child with tangible resources to take away. There will also be guidance on what are the most suitable on-line materials to help your child succeed.

If you wish to attend the evening then we would appreciate you taking the time to reply to us at contact@heanorgate.derbyshire.sch.uk

Yours sincerely

Dominic Hudson
Vice Principal
