

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

November 2017

Dear Parent/Carer

Guest speaker from Steiner Cruise Liner

We are excited to welcome Janine Brown from the Steiner 'on-board spa' into school to talk to students about career opportunities in the beauty industry on board a cruise liner. The talk will be available to all beauty therapy students in Y10-13.

For more information on the company please visit their website on <https://www.theonboardspa.com>

The talk will take place on **Thursday 16 November from 2.30-3.30pm**. As the session is running after the end of the school day please be aware that your child may need to arrange alternative transport to get home.

Following the talk our Y12-13 beauty therapy students will be running a commercial salon, offering taster treatments in our Tranquility salon. This is an ideal opportunity for students, considering a career in the beauty industry, to experience a treatment that they would learn to carry out if they decide to stay on to study beauty therapy with us in the sixth form.

If your daughter would like to take advantage of this, I would recommend that they come to the salon to make an appointment in case the therapists are very busy during the session.

Yours sincerely

Miss Laura McHugh
