

January 2017

Dear Parent/Carer

Global Footprints – Wild Africa Expedition – Summer 2018

Following the success of last year’s trip to Zambia and Botswana, the school is offering your child the opportunity to take part in an adventure of a lifetime. Our school and Global Footprints are planning to embark on a 3 week trip to Tanzania in Africa. The trip will open your child’s eyes to a very different part of the world.

The trip, which will take place in the summer of 2018, will incorporate a mixture of community work, wildlife projects, environmental projects and the opportunity to trek across parts of Africa. It will also give students the opportunity to meet people from different cultures and observe amazing animals within their natural habitat. Students will learn how to work within a team and also develop the confidence to face challenges head on.

In the lead up to the trip students will be managing fundraising projects and events to raise money towards the trip. The cost of the trip is approximately £2895.

We would like to formally launch the expedition by inviting you to a parents’ evening on Monday 23 January 2017 at 6.30pm. A representative from Global Footprints will be at the meeting to give you more information about the expedition and answer any questions you may have.

You will not be pressurised into making a decision on the night. However, we will need to know numbers for the trip within the week following the meeting and a deposit will need to be paid to secure a place.

Africa will provide lots of opportunities for your child to expand their horizons in one of the most beautiful places in the world.

If your child is interested in this trip please complete, sign and return the slip below to Student Reception, indicating if you will be attending the parents’ evening.

Yours sincerely

Miss R Baker
Trip Leader

Mr S Huntington
