

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

November 2017

Dear Parent/Carer

As part of our on-going commitment to realising the potential of every student I would like to inform you that, as of the week commencing Monday 13 November 2017, the Y10 Spanish teaching groups will be realigned in order to maximise potential.

This will affect the following groups: 10QSP1, 10Q SP2, 10RSP1 and 10RSP2 as taught by Miss Hill and Miss Stout.

Following the first half term of teaching in mixed ability groups, students in the Q and R bands will now be set in terms of ability based both on prior attainment, current working effort and level and GCSE target grades. This will allow us to teach lessons tailored more specifically to the needs of the students which will, in turn, accelerate the progress of all students.

Miss Hill and Miss Stout will continue to teach all Y10 Spanish students.

Thank you in anticipation for your support.

Yours sincerely

Miss K Hill
