

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

23 March 2018

Dear Parent/Carer of Y11 students

Educational evening: How to actively support your child with revision
Wednesday 25 April 2018 - 3.00pm to 6.00pm

As part of our commitment to ensure that all students aspire to achieve their full potential, we are holding an educational evening for parents and carers of Year 11 students.

The evening will focus on:

- 1) A short presentation by school leaders to explain and identify the marginal gains that can be achieved in the 'run up' to the exams in order to secure strong passes and higher level grades
- 2) Subject specific workshops
- 3) Information regarding forthcoming Saturday and May half-term revision sessions
- 4) Support and tips for parents/carers to help students at home

The schedule of the evening will be finalised during the Easter holidays and a further letter will be issued after the break.

Workshops will be specifically designed to provide you with an informed insight as to how you can personally support your child in developing subject specific skills outside of their scheduled lessons. The sessions will focus on essential exam preparation, maximising the most out of scheduled homework time, as well as providing your child with tangible resources to take away. There will also be guidance on what are the most suitable on-line materials to help your child succeed.

If you wish to attend this evening we would appreciate you taking the time to let us know by replying to contact@heanorgate.derbyshire.sch.uk; putting 'Education Evening' in the subject.

Yours sincerely

Mrs K Wiltshire
Vice Principal
