Dear Parent/Carer

## Year 7 and 8 Curriculum Developments for 2018-19

As a result of national changes to GCSE courses, and modes of assessment, we have developed an innovative curriculum structure and individualised pathways for all students which will enable good progression right through Year 7 to the Sixth Form. The changes made to our Key stage 3 and 4 curriculum for 2018-19 are clearly outlined in our Curriculum Policy below:

There will be an optional parents' evening on Monday 22 January 6.00pm-7.00pm to inform you personally of the changes that we are implementing.

I look forward to seeing you at this event

Yours sincerely

Mr S Huntington  
Principal
