

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

5 September 2017

Dear Parent / Carers

‘Learning at Heanor Gate’ evenings - September 2017

It is with great pleasure that I write to you, welcoming you back to a new academic year at Heanor Gate Science College. After a pleasing set of summer examination results, we are firmly settled back into the New Year and looking forward to a fresh set of challenges and successes.

As always, we pride ourselves on the relationships we build with both the students, parents and the community. Ensuring everyone is informed on the direction of the school and the unique landscapes of each individual year group is fundamental to ensuring everybody succeeds. As such we would welcome you to join us next week to meet the key staff who will be supporting your son/daughter throughout the next year, in an attempt to ensure that your child is as prepared as possible from the outset.

Each year group’s presentation will cover content specific to their individual year ahead, but as a general theme we will be covering:

- HGSC vision for 2017/18
- Overview of key staff responsible for each year group
- Timeline of events for the academic year
- Expectations of HGSC, the students and the parents / carers
- Making informed and responsible choices for the future
- Enrichment opportunities
- ‘Show My Homework’ - the schools new interactive study planner

We appreciate it is very early on in the academic year, but the collaboration between school and home has never been more important. By working in partnership, your children can be supported to achieve their absolute potential.

If you have any queries or concerns over the evening then please contact your son’s / daughter’s personal tutor.

We look forward to meeting you next week.

Yours sincerely

Mr S Huntington
Principal
