

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

February 2017

Dear Parent/Carer

Your child is studying Key Stage 3 product design this year and in order to keep the project as engaging as possible we base the curriculum around a practical project. In year 7 this involves making a wooden toy.

Your child will have either just finished this project or will be completing the project over the remaining half of the year.

In order to allow the students to take their practical work home we must ask for a contribution of £1 towards the cost of materials. If we do not receive this contribution your child will still be able to complete their project but they will not be able to take their project home as we may have to recycle the materials.

Our preferred method of payment is via ParentPay.

Please do not hesitate to contact me if you have any questions or concerns regarding this.

Yours sincerely

Ben Lowe
Design and Technology Teacher

✂.....

Please return to Student Reception – Product Design contribution

Name of student

RG

I have paid via ParentPay ✓

I enclose £1.00 contribution ✓
