UNITS:

- Investigating Practitioners Work
- Developing Skills and Techniques for Live Performance
- Group Performance Workshop
- Jazz Dance Technique

KEY INFORMATION:

BTEC Performing Arts is an exciting course which will help learners prepare for further study within performing arts disciplines. Our learners develop a deep understanding of both practical and theoretical elements of dance demonstrating this in both internally and externally assessed units. They will understand contextual factors that influence key practitioners work, take part in regular technique classes and perform in a range of styles. Students will gain a range of transferable skills which are highly regarded by employers and higher education establishments.

POSSIBLE CAREER PATHS:

- ➔ Professional dancer, choreographer or teacher
- ➔ Dance therapist
- ➔ Stage manager
