### KEY INFORMATION:

The WJEC AS level offers a practical and challenging course of study. Learners will study three texts over the year and prepare for two performance based exams and one written exam. Key skills involved in the AS Level include research, developing ideas, evaluation, a developed understanding of acting techniques, interpretation and analysis. Throughout the course students will learn about practitioners to help develop their own performance skills. This is an exciting course for those wishing to extend their creative knowledge, be it as a designer, performer or director.
