

GEOGRAPHY

Curriculum Leader: Charlotte Harris

✉ charris@heanorgate.derbyshire.sch.uk

Subject Twitter: @hgscgeography

UNITS:

- Living with the physical environment
- Challenges in the human environment
- Geographical applications
- Geographical skills

“ Without geography you are nowhere

“ Geography is the subject which holds the key to our future

SUBJECT SPECIFIC ENTRY CRITERIA:

C or above in GCSE Geography is preferable but not essential.

KEY INFORMATION:

This course is designed to excite your minds, challenge perceptions and stimulate your investigative and analytical skills. The units all reflect the world today and include hazards, changing places and global systems and governance. There are a variety of fieldwork opportunities in both Y12 and Y13 to enhance your understanding. Throughout this course you will develop a wide range of skills that are transferable to many other A Level subjects, university degrees and careers. Geography is a broad based academic subject which is well respected by employers and geography graduates have one of the highest rates of graduate employment.

POSSIBLE CAREER PATHS:

- ➔ Town planning and surveying
- ➔ Retail and logistics
- ➔ Management positions involving team work and decision making
