

# HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”  
“Create a culture of aspiration”

Principal: **Mr S Huntington**

9 September 2020

Dear Parent/Carer

## Re: COVID-19 Update

I hope you and your families are safe and well and I'd like to thank you for your continued support and patience throughout the COVID-19 pandemic.

It has come to our attention that there is a confirmed case of COVID-19 at a local primary school. We have taken advice from Public Health England and their guidance states that there is no requirement for any of our students to quarantine unless they or their household members are showing symptoms.

If a student does develop symptoms of COVID-19, they must not come to school. Please inform us if your child does develop symptoms and needs to stay at home and arrange a COVID-test. Please be aware that there is a lack of capacity at testing centers so you will only be able to get a test if you are showing symptoms of the virus.

Please be assured that the safety of all students and staff remains of paramount importance. We are aware that the COVID-19 pandemic has an ever-changing national picture and we are continuing to liaise with Public Health England and local schools.

We will endeavor to remain in contact over the coming days and weeks if we have further updates.

If you have any questions, please contact your child's Achievement Leader.

Yours sincerely

Mr S Huntington  
Executive Principal
