Dear Parent/Carer

In order to support students with their science courses we encourage them to purchase related revision guides and workbooks. These resources will be essential for revision and will be used for reading around the subject and for homework. The combined science revision guides can be purchased at a reduced price of £5.60, (retail price £9.95) and the separate revision guides (biology, chemistry and physics) at a price of £2.85 (retail price £5.95).

The combined science workbooks are also available to purchase at a reduced price of £6.60 (retail price £11.95) and the separate workbooks (biology, chemistry and physics) at a price of £3.85 (retail price £5.95).
