

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

05 October 2020

Dear Parent/Carer

Recently we have had a number of issues raised from members of the local community in relation to parking outside the front of the school during drop off and pick up times. In one instance last week, a resident required medical attention, but the road was blocked by parents/carers dropping off their children in the morning. We have also had problems with local resident's drives being blocked and we are concerned that students crossing Kirkley Drive have to walk out into the road between parked cars, limiting visibility.

It's very important to us as a school that we maintain good relations with our local community and the safety of our students is paramount. I would like to remind all parents/carers that when they visit school either to drop off or pick up their children, they do so with due care and attention, do not put others at risk and be considerate to the local residents by parking safely and in appropriate areas. We appreciate that there is limited space, but we suggest that you allow yourself a few extra minutes in the morning to make sure you are parking considerately even if it means arranging to meet your child on an adjacent street or the industrial estate.

Please be aware that only parents/carers of students with SEND and those with parking permits are permitted to park on the school site. If you do not have a parking permit and feel that you are entitled to one, please contact Mrs R. Saunders, R.Saunders2@heanorgate.derbyshire.sch.uk

Thank you for your support in this matter.

Yours sincerely

Mr S Huntington
