

# HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”  
“Create a culture of aspiration”

Principal: **Mr S Huntington**

May 2021

Dear Parent/carer

As part of your child's GCSE geography course, they are required to participate in local fieldwork. This will take place in Heanor town centre on Thursday 24 June 2021. During this time, students will be collecting data and interviewing the local community regarding the shopping and services available in the local area.

Students are required to wear full school uniform and are reminded that they will be representing the school in the local community and should behave appropriately.

We will be leaving school at 9.00am and will be returning for 11.45am. Students will have their lunch in school as normal. Please logon to ParentPay to give your permission for your child to participate in this activity.

Should you have any questions or concerns, then please contact your child's geography teacher.

Yours sincerely

Mrs C Meakin  
Head of Geography
