

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

15 July 2021

Dear Parent/Carer

Due to the rise in COVID cases amongst our student population and the volume of Post-16 students having to isolate, we have made the decision to end the school year for Post-16 students tomorrow (16 July) at 3:00pm.

With an increasing staff absence there will be no live lessons next week for these students but, as a replacement, work will be put on Google Classroom for the three days of next week (Monday to Wednesday).

Mr Graham will be in touch tomorrow regarding the distribution of Step-Up Year 13 mock results which will likely be electronic/virtual on Tuesday 20 July.

The students have had a superb term and showed fantastic resilience during a difficult period. We look forward to seeing them back in September and hope that, like our staff, they have a great rest and break over the summer.

Yours sincerely

Mr S Huntington
Executive Principal

Mr M Jones
Senior Vice Principal
