

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

9 July 2021

Dear Parent/Carer

It is great to see both the school, local community and the country as whole being galvanised by the positive achievements of the England national football team in the Euro 2020 finals. Many people feel a huge sense of pride, not only in their progress, but also in the effort and attitude of the players as well as the leadership shown by their manager, Gareth Southgate.

With the growing sense of excitement, as the England team prepare for Sunday's final, we wanted to mark this potentially once-in-a-generation occasion - regardless of the result on Sunday - by celebrating together as a school community. On **Monday** all students are invited to wear an England football shirt if they choose to. The rest of the uniform must remain the same.

At break/lunchtime students will also be permitted to wear England wigs, hats, scarves etc. but these must be placed in bags before they leave the break/lunch areas.

We hope that as many students as possible will join in with the staff to make this a memorable day for everyone.

Enjoy your weekend.

It's nearly home!

Mr S Phillips
